

# BEGINNER FOUNDATIONS: THE PATH TO CONFIDENCE

A 10-Module Roadmap to Speaking, Reading, and Understanding Spanish.

## Phase 1: The Sound & The Basics

### **Week 1:** The Spanish Code (ABCs & Pronunciation)

The Goal: Master the vowels and unique sounds (like ñ and rr).

The Result: You will be able to read any Spanish word aloud with perfect phonetic accuracy, even if you don't know the meaning yet!

### **Week 2:** The World in Color & Quantity (Numbers & Colors)

The Goal: Counting to 100 and describing the world around you.

The Result: Basic shopping, giving your phone number, and identifying objects.

### **Week 3:** Presence & Existence (The Magic Word 'Hay')

The Goal: Using Hay (There is/There are) to describe your surroundings using adverbs of place or ask if something is available

## Phase 2: Building the Sentence

### **Week 4:** The DNA of Spanish (Gender & Number)

The Goal: Understanding El vs. La and making words "match."

The Result: Your sentences will start sounding grammatically "natural" rather than like a translation app.

### **Week 5:** Action! (Intro to -AR Verbs, and pronouns)

The Goal: Mastering the first group of action words (Hablar, Estudiar, Trabajar) and their conjugations

The Result: You can finally say what you do and ask what others are doing.

## Phase 3: The "Big Three" Verbs

### **Week 6:** To Be... or To Be? (Ser vs. Estar - Part 1)

The Goal: Learning the difference between permanent traits (Ser) and temporary feelings or locations (Estar).

The Result: Correctly saying "I am happy" vs. "I am a teacher."

**Week 7: Possession & Needs (The Verb 'Tener')**

The Goal: Using "To Have" to express age, hunger, and belongings.

The Result: Essential for daily survival—asking for what you need.

**Week 8: Presence & Existence (The Magic Word 'Hay')**

The Goal: Using Hay (There is/There are) to describe your surroundings or ask if something is available.

**Phase 4: Fluency & Flow**

**Week 9: The "Right Now" (Gerundios - 'ING')**

The Goal: Learning the -ando and -iendo endings to talk about ongoing actions.

The Result: Moving from "I speak" to "I am speaking."

**Week 10: Putting it Together (Sentence Fluidity)**

The Goal: Combining Ser, Estar, and Tener into complex thoughts.
